Catalog Description

Students will learn how the management of information systems is integrated with business. Students will be exposed to the underlying technologies, including spreadsheets, databases, the internet, networks, the cloud, Enterprise Resource Planning software, and integration of commercial software products into a business. The differences among data, information and business intelligence are discussed as well as managerial decision making based on empirical evidence provided by information systems. Case studies are used to explore the application of information systems in the modern digital enterprise.

Prerequisites

Admission to the B.A.S. degree in Business and Organizational Leadership or B.A.S degree in Computing Technology and Software Development, and either CGS 1060C or CGS 2100C or department approval

Course Learning Outcomes

Upon completion of this course, students will be able to:

- Describe the function of the major components of Information Systems in modern business enterprise
- Demonstrate a working knowledge of the underlying technology used in Information Systems Infrastructure; hardware, software, networking, communication, and the cloud
- Describe how businesses choose Enterprise Resource Planning software, and the role of each in managing the data of the enterprise

- Analyze the process of changing a business by adding a new business process using Information Systems

Required Materials

Required Textbook

This course uses open educational resources (OERs) and other materials for educational usage. Therefore, students are not required to purchase any textbooks for this course. The required resources for this course are provided on Canvas. There may be additional required and/or recommended readings, supplemental materials, or other resources and websites necessary, which will be provided within the course, and throughout the term via the assignment/discussion/quiz or exam areas.

Required Software

Students also need access to basic computer applications (Microsoft Office, Google Chrome).

Assessment Methods and Evaluation

Grading Scale

- A: 540 - 600 points
- B: 480 - 539 points
- C: 420 - 479 points
- D: 360 - 419 points
- F: less than 360 points

Grading Breakdown

Students can earn a total of 600 points in this class, broken down as follows:

- Introductions Discussion: 40 points
- 13 module discussions: 260 points (20 points each)
- Ten Labs: 100 points (10 points each)
- Final Project: 200 points

Type of final exam: There is no final exam, only a final project. Completion of the final project is required.

No-Show Policy | Required Attendance Activities

If you do not log in to the course during the first week and complete the Academically Related Attendance Activities (Orientation Quiz and Introductions Discussion) you will be withdrawn from the class as a "no show". Class attendance is required for online classes; students who are not actively participating in an online class and/or do not submit the required attendance activity or assignment by the scheduled due date must be withdrawn by the instructor at the end of the first week as a "no show". If you are withdrawn as a "no show," you will be financially responsible for the class and a final grade of "WN" will appear on your transcript for the course.

Any student who does not attend class by the drop/refund deadline for this part of term will be withdrawn by the professor as a no-show. This will count as an attempt in the class, and students will be liable for tuition. If your plans have changed and you will not be attending this class, please drop yourself through your Atlas account by the drop deadline.

Attendance Policy

This is an online course, available 24/7, managed through Canvas. You must have access to the Internet (available on all Valencia campuses) to complete the course requirements. Your online attendance is required; attendance will be checked based on your participation in the course and submission of coursework. You must submit a minimum of one assignment [discussion post or lab activity] each week to meet the attendance requirement. In the event of an extended absence, you should contact me via email or phone as soon as possible to indicate the reason and discuss the impact on your course performance.

Late Work/Makeup Policy

Late work will be accepted only if students provide written documentation of a medical emergency or ongoing medical condition that is submitted on the first day of the student's return to the course. **Outside of documented medical emergencies/conditions or severe personal circumstances, late assignments and makeup assignments are not permitted.**

Extra Credit Policy and "Grade Requests"

Extra Credit Policy

No opportunities for extra credit will be provided during this course. Please make an appointment to speak with me if you have concerns about your grade.

"Grade Requests"

Throughout the semester, please do not e-mail me with grade requests, such as:

- "I need at least a C to get credit for this class."
- "I need at least a D to keep my financial aid."
- "If I fail this class I'll be on academic probation."
- "How can I get extra credit to improve my grade?"

If you know that you need a certain grade in this class to avoid a dire consequence (such as loss of financial aid, citizenship status, or GPA requirements), you need to make sure the choices you are making now will provide you with the result you want later.

This means putting forth the time and effort to study, ask questions, learn from your mistakes, and understand the concepts taught in each module. Please do not attempt to bias my thinking, or grading, by sending a grade request at any point during the semester.

Your final grade will be exactly what you earn, by putting in the time and effort that is required to learn the material. You can expect the grad book to be updated weekly. That grade is an accurate picture of your progress in the course. If you are unhappy with your grade, please contact me to discuss what actions you can take to change it.

Withdrawal Policy

Per Valencia policy a student who withdraws from class before the established deadline for a particular term will receive a grade of "W". A student is not permitted to withdraw after the withdrawal deadline.

A faculty member can withdraw a student up to the withdrawal deadline for violation of the class attendance policy. A student who is withdrawn by faculty for violation of the class attendance policy will receive a grade of "W". After the withdrawal deadline, faculty will not withdraw a student and the student will receive the grade earned at the end of the course. Any student who withdraws or is withdrawn from a class during a third or subsequent attempt in the same course will be assigned a grade of "F." If you do not intend to complete the course, you must withdraw yourself prior to the withdrawal date.

For a complete policy and procedure overview on Valencia Policy 6Hx28:4-07, please go to: [College Policies](#) .

NOTE: Before choosing to withdraw, students should speak first with me regarding your progress in the course and with an Academic Advisor to discuss the impact of the W on your academic progress, future fees, and financial aid.

Note to International Students (F-1 or J-1 VISA):

Please be advised that withdrawal from this course due to attendance may result in the termination of your visa status if you fall below the full-time enrollment requirement of 12 credit hours. Consult the International Student Services office for more information.

Standards of Classroom Conduct:

Valencia College is dedicated to the advancement of knowledge and learning and to the development of responsible personal and social conduct. By enrolling at Valencia College, a student assumes the responsibility for becoming familiar with and abiding by the general rules of conduct as listed in 6Hx28: 8-03 and the Student Handbook. Even though Faculty manage the classroom environment, the primary responsibility for maintaining a respectful and civil learning environment rests with the students. Students who violate the Student Code of Conduct may be referred to the Dean of Student's Office for disciplinary action, which may result in a sanction up to and including expulsion. [College Policies](#)

As a registered student in this class, you assume the responsibility for conducting yourself in a manner that contributes positively to Valencia's learning community as described in the Student Code of Conduct. My role as an instructor is to facilitate academic discussions and promote critical thinking about sometimes challenging and uncomfortable facts and ideas. Your peers and instructor may share diverse ideas and viewpoints, or we may differ in our ideas and viewpoints, but we will always be respectful of other opinions as provided by the law and as expected in an academic environment. No lesson is intended to espouse, promote, advance, inculcate, compel a particular feeling, perception, viewpoint, or belief in a concept. Concepts as presented are not endorsed by the instructor but are presented as part of the larger course of instruction. Should a student feel uncomfortable with how course content is presented or discussed, please contact the instructor for further conversation.

Academic Honesty:

All forms of academic dishonesty are prohibited at Valencia College. Academic dishonesty includes but is not limited to, acts or attempted acts of plagiarism, self-plagiarism, cheating, furnishing false information, forgery, alteration or misuse of documents, misconduct during a testing situation, facilitating academic dishonesty, and misuse of identification with intent to defraud or deceive.

If students utilize external sources in their work, including information obtained from digital platforms or AI-generated content, they must provide proper citations and references. Failure to acknowledge the use of such sources may be considered plagiarism.

All work submitted by students is expected to be the result of the student's individual thoughts, research, and self-expression. Whenever a student uses ideas, wording, or organization from another source, the source shall be appropriately acknowledged. If a student is caught submitting plagiarized work a first offense will result in a zero score on the assignment, and a second offense will result in a class grade of F.

College Policies:

A full description of all College policies can be found in [College Catalog](#) and at [College Policies](#) .

Student Assistance Program:

Valencia College is interested in making sure all our students have a rewarding and successful college experience. To that purpose, Valencia students can get immediate help with issues dealing with stress, anxiety, depression, adjustment difficulties, substance abuse, time management as well as relationship problems dealing with school, home or work. BayCare Behavioral Health Student Assistance Program (SAP) services are free to all Valencia students and available 24 hours a day by calling (800) 878-5470. Free face-to-face counseling is also available.

Any student who has difficulty accessing sufficient food to eat, or who lacks a safe and stable place to live, and believes this may affect his or her performance in the course, is urged to meet with a Counselor in the Advising Center for information about resources that may be available from the college or community.

Office of Students with Disabilities Information:

Students with disabilities who qualify for academic accommodations must provide a Notification to Instructor (NTI) form from the Office for Students with Disabilities (OSD) and discuss specific needs with the professor, preferably during the first two weeks of class. The Office for Students with Disabilities determines accommodations based on appropriate documentation of disabilities.
