Assessments

Course Evaluation: At any given points in the semester a student can calculate his/her own grade by dividing one's earned points by possible points thus far.

At the end of the semester a student's grade will be comprised of the following:

Discussions: **280 Possible Points**

Quizzes: **130 Possible points**

1 Midterm **100 Possible Points**

Assignments: **300 Possible Points**

Art Museum paper **100 Possible Points**

Final exam= **100 points**

Total= 1010 Possible Points

Grading Scale: 9-100=A, 89-80=B**,** 79-70-C, 69-60=D, 59-Below=F

**Note: Final grades do not get rounded. For example, a final grade of 88% or 89.4% is a "B"

Exams : Exams will include any combination of image identification, multiple choice, fill in the blank, true/false, short answer, or essay. You will have a Midterm exam and a Final exam. Your Final exam will be over all chapters cover in this course

Midterm and Final Exams will require students to use **Honorlock.** It is of utmost importance that the software is running correctly for the student to take the exams. *Issues with the software, internet connectivity, and/or with the computer are not excuses for missing assignments or exams. Time management is important so please plan ahead.*

There is a **practice quiz** under the **orientation module**. Please use this quiz to work out any issues with Honorlock. Do not wait till the last minute to make sure the software works. Exams will not be reopened after the due date, even for tech issues. Please plan accordingly so you can take the exams.

Note: You will need a webcamera. I need to know you are the one taking the exams and not someone else. Your webcamera can not be covered during the exam. If you cover your webcamera during the exam, it will be considered cheating and you will receive a zero for the exam(s).

Honorlock Information:

Midterm and Final Exam Policy
There are no exam make ups. I do not allow students to make up exams except in extreme emergencies (for example, death in the family during exam availability, hospitalization during exam availability, etc. I will need proper documentation). * If one of these exceptions apply to you, please let me know as soon as possible (the week of the exam or up to two days after the exam, depending on the situation). Information beyond that time frame will not be accepted. Communication is key.

Quizzes: You will have quizzes each week during the semester and they will be over chapters we cover in class.

Discussion Questions: Each week you will be asked to complete a discussion. Discussion questions are designed to make sure you understand the course content and discuss the information with your peers. For each discussion, you will have to write at least 200 words in your response and respond to 2 of your classmates' posts. Each response must be at least 50 words in length.

Papers & Assignments: You will have **papers and projects** to complete for this class.

*You will need a camera for a couple of your projects. It can be the camera on your phone or computer.

Turnitin | Valencia's Plagiarism Detection
Valencia uses Turnitin, a plagiarism detection software, to scan student work for matched text by comparing the work to a large database of student work, publications, and materials on the internet. By submitting your work to Canvas, you acknowledge that your ideas are original, and not generated by ChatGPT or other sources. In other words, you

Paper requirements

- All papers must be written in MLA format or Chicago Style Format.
    - Must provide a works cited page and in text citations, if you use various sources. If you do not, this is considered plagiarism and you will earn a zero for the assignment (see academic integrity policy).

    - You can not use AI-Generating for your paper (see academic Integrity policy)

Late Policy: Each assignment contains a due date. Assignments coincide with course topics and help to prepare/review the important course content, so it is important that you stay current with our assignments to have the richest learning experience possible. I **_do not_** accept late work, except in extreme emergencies (for example, death in the family during assignment availability, hospitalization during assignment availability, etc. I will need proper documentation). * If one of these exceptions apply to you, please let me know as soon as possible (the week of the assignment or up to two days after the assignment). Information beyond that time frame will not be accepted.
This late policy applies to ALL assessments (discussion questions, quizzes, papers, projects, exams).

Technology Requirements

It is important for students to have access to a working computer/laptop and reliable internet. You are still responsible for turning in work on time if something happens to your computer or internet.

Participants should [verify computer software and hardware requirements](#)

needed to be successful in this course, which include:

- Reading and responding to emails
- Software application skills (PowerPoint, Word, Office365, etc.)
- Internet and library database browsing

- Copying and pasting
- Saving files in different formats
- Working with attachments
- File management

Students with Disabilities

Valencia is committed to ensuring that all of its programs and services are accessible to students with disabilities. The Office for Students with Disabilities (OSD)determines reasonable and appropriate accommodations for qualified students with documented disabilities based upon the need and impact of the specific disability.

Any student requiring course accommodations due to physical, emotional or learning disability must contact the instructor and provide a Notification to Instructor form by the end of the second week of class. To obtain a letter of accommodation, **contact OSD at 407-582-2229. https://valenciacollege.edu/students/office-for-students-with-disabilities/**

Learning Support (tutoring, library and tech support)

Distance Tutoring & Technology Support at Valencia: You can easily access Valencia's *free* distance tutoring and tech support from a computer, laptop or mobile device.

Distance tutoring services are provided fully online via Zoom. Through this service, you will receive real-time assistance via a Valencia tutor. Online tutoring is offered in: mathematics, sciences, accounting & economics, computer programming, EAP and foreign languages, and writing.

Online Learning Technology Support services are also available. Students can receive assistance with navigating: Canvas, OneDrive, Zoom, YouTube, and Microsoft Office (Word, Excel, & PowerPoint). Support is also provided for video editing (via iMovie and MovieMaker) and converting documents from a Mac to PC. Tech support is available live (on-demand) via Zoom, by appointment, or via email. Students are encouraged to use the 24/7 Canvas Help located inside Canvas by clicking on the "Help" icon.

To get started using the Distance Tutoring and Learning Technology Support services, please visit www.valenciacollege.edu/tutoring

. Through this site, you can view the schedule of tutors/tech support assistants, find available times, learn more about the services, and access a collection of supplemental resources that are available 24/7.

Hours of Operation:

Monday-Friday: 8 am – 10 pm

Saturday & Sunday: 9 am – 7 pm

Attendance

You are expected to attend all class meetings of all courses for which you are registered. Regular attendance and regular class participation are significant factors that promote success in college. **For online courses, attendance is determined by consistently logging in and accessing the course content and completing courses in accordance with the course schedule.**

1st week of class: Make sure to submit a graded assignment during the first week of class. If you do not, you will be considered a NO Show and will be dropped from the course.

In the event of absence from a classroom course or the inability to participate in an online or mixed-mode course, you should contact your professor as soon as possible to indicate the reason and to inquire whether make-up work is possible. Make-up work is offered solely at the discretion of your professor.

Office Hours: This is an online course. I respond to emails between 24 to 48 hours (48 hours on the weekends). If you would like to talk over zoom please let me know and we can schedule a time.

Withdrawal Policy

Per Valencia Policy 4-07 (Academic Progress, Course Attendance and Grades, and Withdrawals), a student who withdraws from class before the withdrawal deadline of (*insert appropriate date)* will receive a grade of "W." A student is not permitted to withdraw after the withdrawal deadline. A faculty member MAY withdraw a student up to the beginning of the final exam period for violation of the class attendance policy. A student who is withdrawn by faculty for violation of the class attendance policy will receive a grade of "W." Any student who withdraws or is withdrawn from a class during a third or subsequent attempt in the same course will be assigned a grade of "F." Academic Honesty

All forms of academic dishonesty are prohibited at Valencia College. Academic dishonesty includes, but is not limited to, acts or attempted acts of plagiarism, cheating, furnishing false information, forgery, alteration or misuse of documents, misconduct during a testing situation, facilitating academic dishonesty, and misuse of identification with intent to defraud or deceive.

If a faculty member concludes a student in their class has violated this policy, the faculty member can choose to assign academic penalties that include, without limitation, one or more of the following: loss of credit for the assessment (assignment, examination, project, paper, etc.); a reduction in the course final grade; a grade of "F" as the final grade in the course. The faculty member may also refer the violation for action in accordance with Policy 6Hx28:8-03, Student Code of Conduct.

The use of AI-generated responses and essays is strictly prohibited in this course unless otherwise explicitly approved by your instructor. AI includes "any kind of artificial computational system that employs complex behavior…used to satisfy the Learning Outcomes of a course or lesson" (Vincent C. Muller). ChatGPT, for instance, is an AI. Any assignment in violation of this policy will receive the punishments as specified in the Academic Dishonesty/Plagiarism policy.

Note: *Please be careful when using grammarly*. You must turn off their Generative AI. If you do not your paper could get flagged for using AI-generated responses. Use grammarly to check grammar only. Please see the article for more information: https://support.grammarly.com/hc/en-us/articles/14528857014285-Introducing-generative-AI-assistance#:~:text=If%20you%20no%20longer%20wish,controlled%20at%20the%20organizational%20level

The article provides you with information on how to turn off Grammarly go (the Generative AI). You will be responsible if your paper comes back as using AI-generated responses.

Student Code of Conduct

Valencia is dedicated not only to the advancement of knowledge and learning but also to the development of responsible personal and social conduct. As a registered student, you assume the responsibility for conducting yourself in a manner that contributes positively to Valencia's learning community and does not impair, interfere with, or obstruct the orderly conduct, processes, and functions of the college as described in the [Student Code of Conduct](#).

Disclaimer Statement

Changes to this syllabus, schedule, and/or policy may be made at any time during the course per instructor discretion. These changes will be reasonable and made in the best interest of student learning. Students will be notified of any changes either in class, through Announcements, and/or via the Canvas Inbox conversations tool. Students with any concerns about any changes should discuss it with the instructor as soon as possible.
