Homework/Tarea - Vhlcentral.com Supersite

- Homework (Tarea) is generally assigned EVERY NIGHT Mondays-Thursdays and due at 11:59 p.m.
- TAKE NOTES on the grammar tutorials. On “gramática” days, you will have a **short quiz** on that grammar point. On “vocabulario” days, you will have a **short quiz** on that chapter’s vocabulary.
- I check that you have put forth a good effort in your answers. The site alerts me with errors, but you will get credit as long as I can tell you have tried!
- Every day it is late, 5% is deducted from the homework grade.
- Late work is accepted for each chapter up until we take the exam for that chapter.

*You are still responsible to be familiar with course policies as outlined in the full version of the syllabus on Canvas. Professor Zehel reserves the right to change any of these policies as she sees fit.
