The programming tutoring is located on the first floor of Building 4 near the Testing Center (4-124).

Hours:
Monday and Tuesday   - 4:00   PM to 7:00 PM
Wednesday and Thursday - 10:00 AM to 2:00 PM

The classes covered:
COP 1000C (Introduction to Computer Programming)
COP 2200C (C Programming)
COP 2224C (C++ Programming)
COP 2800C (Java Programming)
COP 2805C (Adv. Java Programming)
COP 2822C (Web Site Development)
COP 2341C (Linux Shell Scripting)

Fliers should be available at the front desk of Building 4 in the Academic Success Center (4-100, I think? It's the big room on the first floor of Building 4) detailing which languages are currently covered, what times and by which tutor should a student wish to have for their reference.
