ATTENDANCE POLICY:

- Regularity in classroom attendance and punctuality is vital to academic success. Students are expected to attend class regularly and punctually. A student is not permitted to withdraw themselves after the withdrawal deadline. A faculty member MAY withdraw a student up to the beginning of the final exam period for violation of the class attendance policy. A student who is withdrawn by faculty for violation of the class attendance policy will receive a grade of "W". Any student who withdraws or is withdrawn from a class during a third or subsequent attempt in the same course will be assigned a grade of "F". EXAMS AND QUIZZES

Exams and quizzes are scheduled throughout the semester. Although the testing schedule may change from that within the syllabus, it will still be the responsibility of the student to be prepared for the exam at the assigned time. All exams must be taken on or before dates assigned. No makeup exams are available without explicit consent of instructor, which will only be granted in the case of documented emergency. The final exam must be taken on the date published for final exams. Should a student miss an exam, it is the responsibility of the student to contact the instructor to make arrangements for a make-up exam. (Some exams will be taken through WebCT).

If a student fails to take the Final Exam or complete all coursework, the final course grade will be based only on the total points earned.

Failure to use citations within the paper will result in a 30 point reduction from the total points of your final research paper grade.
