**Prerequisite:** SPN 1120 or Departmental Approval

A minimum grade of C in SPN 1120 or equivalent (two years of high school Spanish completed within the last three years and department approval).

This course requires self-discipline and time commitment. All assignments, activities, and assessments are due according to the calendar of deadlines found on the Course Calendar and the VHL Central homework Calendar. Keep up with the pace of the course and ask for help as soon as you feel you need it.

### CATALOG DESCRIPTION:

Elementary Spanish II is the second semester of the one-year Elementary Spanish Language and Civilization sequence. It emphasizes oral proficiency as well as the remaining language skills: listening, reading, writing, as well as awareness and understanding of the culture. **A minimum grade of C is required to pass this course** if being used to satisfy the General Education Foreign Language requirement. This course is not available to native or near-native speakers.

### **SPAN 1121 Course Description:**

A continuation of fundamental skills in Spanish comprehension, expression, and structure. Increasing awareness and understanding of the culture. The level of proficiency you attain will depend on you as a student.

It requires self-discipline and time commitment. This is not a self-paced course. All assignments, activities, and assessments are due according to the calendar of deadlines found in Canvas and VHL Central. Only under extenuating circumstances will your professor make exceptions to the deadlines. If you feel you lack the self-discipline, motivation, and time it requires you to be successful in this course, you may want to consider other options. Keep up with the pace of the course and ask for help as soon as you feel you need it.

### **Course Learning Objectives:**

**Goals:** There are various goals for Spanish II. The first is to develop **basic communicative skills** in Spanish as a second language. At the end of the semester students are expected to use the target language to, listen, write, read, & talk about:

- your past experiences
- describing food, and ordering food in a restaurant
- how you feel physically and talk about health and medical conditions
- your daily routine and personal hygiene
- clothing, negotiate and pay for items, & express preferences while shopping

A second goal is to develop **some general knowledge about culture** in the Spanish-speaking world. Some examples are:

- foods and meals in Hispanic countries
- celebrations and traditions in Hispanic countries
- history, geography, and defining characteristics of different Hispanic countries

**Do not expect this course to be just about grammar and vocabulary learning.** Although you will be learning grammar and vocabulary to achieve the goals below, they are not the only focal point of this course. You will also be tested on cultural and communicative aspects of the language so studying and preparation should not be limited to studying only grammar and vocabulary.

In agreement with the *Standards for Foreign Language Learning in the 21st Century*, also known as the “**5C’s**”, this course will enable students to:

- **Communicate** in Spanish (according to the proficiency level targeted in the course).
- Gain knowledge and understanding of **Cultures** of the Hispanic world.
- **Connect** with other disciplines and acquire new information.
- Develop awareness of similarities and differences (**Comparisons**) among language and culture systems around the world.
- Use the language and the knowledge gained in the course to build and participate in **Communities** at home and around the world.

**ACTFL Proficiency Guidelines** for novice high level of proficiency are that the student can:

**SPEAK:** Manage simple and formulaic communicative tasks in straightforward social situations.

**LISTEN:** Sometimes understand information from sentence-length speech, one utterance at a time, with contextual support. Understand standardized speech dealing with areas of basic practical needs.

**READ:** Typically derive meaning from short, simple texts in context and/or with extra linguistic support. Understand formulaic language such as that which is found on train schedules, road maps, and street signs.

**WRITE:** Meet limited basic writing needs using lists, short messages, and simple notes.

#### Methodology and Activities:

This course stresses **communication skills** in Spanish. Every effort will be made to make this class student-centered. To help students succeed in this course, the class will engage in a variety of activities and assignments, including but not limited to activities such as the following: Practice and communication using vocabulary and grammar learned in oral and written modes; Sociolinguistic practice and functions through communicative activities (paired and virtual chat activities using VHL Supersite); Reading activities and exercises, such as pre- and post-reading, intensive and extensive reading; Writing activities ranging from short paragraphs to developed compositions; Video/audio/computer exercises, presentations, and discussions.

#### Language Learning Tips: Food for thought.

1. **Be tolerant** to not understanding all of what you are hearing. Be comfortable listening selectively.
2. **Use trial and error**...for *practice*. Language is more skill than knowledge.
3. **Spanish is not English**. Be prepared to look at everything differently – not only words and phrases, but also *complete* ideas.
4. **Listen and speak in Spanish at every opportunity**.
5. **Lose your fear of making mistakes**.
6. **Memorize rules**. Five minutes engraving a rule in the brain is worth avoiding five hours of groping and a lifetime of frustration and mistakes.
7. **Language is not grammar**. Grammar simply helps learners understand how things go together.

**Incompletes:**

(<https://catalog.valenciacollege.edu/academicpoliciesprocedures/courseattempts/coursewithdrawal/>). An Incomplete grade may be assigned if you are progressing satisfactorily and, for valid reasons (emergencies such as serious illness or death of a family member), cannot complete the work of a course within the time constraints of the term. It is your responsibility to consult with your professor to determine if you qualify for the incomplete grade.

Foreign Language courses are not self-paced, and part of the assessments require students to communicate and collaborate. For that reason, an Incomplete will be considered if the student has satisfactorily completed 85% of the course or more after the professor's assessment.

(College Policy: [6Hx28: 4-7: Academic Progress, Course Attendance, and Grades, and Withdrawals](#). <https://nam10.safelinks.protection.outlook.com/?url=https%3A%2F%2Fcatalog.valenciacollege.edu%2Facademicpoliciesprocedures%2Fincompletes%2F4-07-academic-progress-course-attendance-and-grades-and-withdrawals.pdf&data=05%7C02%7Cjsalto%40valenciacollege.edu%7Cf9bd67a77bcb490549e308dd2d942480%7C0e8866953d1741a88544135b0a92a47c%7C0%7C63871683648> )

**Course Attempts & Course Withdrawal:**

Agencies and organizations that provide financial assistance/scholarships (federal and state government, businesses, etc.) may have requirements relative to withdrawal, course repeats, and grade forgiveness that are more stringent than those described below. It is your responsibility to verify the effects of enrollment and/or withdrawal upon your financial assistance (financial aid, scholarships, grants, etc.).

According to State Rule 6A-14.0301, you may attempt the same course only three times at Valencia College including the original grade, repeat grades, and withdrawals at any point in the term. The same course usually means the subject prefix and course number are the same when posted on a Valencia College transcript. Courses that have been deemed equivalent will all count as attempts even if the current course number is not the same as your previous attempt(s). Being enrolled in a course for credit beyond the Drop/Refund Deadline counts as an attempt. The Drop/Refund Deadline for each term is listed in the [Important Dates and Deadlines](#) (<https://valenciacollege.edu/academics/calendar/>) document.

**Registration Information & Withdraw Policy**

1. It is also your (the student's) responsibility to withdraw from a course if you stop attending class. The last date for students to **Withdraw from a course and receive a "W"** is listed at the bottom of the [Course Calendar](https://online.valenciacollege.edu/courses/221810/pages/course-schedule) (<https://online.valenciacollege.edu/courses/221810/pages/course-schedule>), as well as in the [Valencia website](https://valenciacollege.edu/academics/calendar/) (<https://valenciacollege.edu/academics/calendar/>), in the **'Important Dates & Deadline'** (<https://valenciacollege.edu/academics/calendar/>). Calendar link.
2. If you have questions about placement once the course begins, please e-mail me **immediately** and explain your concern.

## Withdrawal from a Course Policy:

<https://catalog.valenciacollege.edu/academicpoliciesprocedures/courseattempts/coursewithdrawal/>

[\(https://catalog.valenciacollege.edu/academicpoliciesprocedures/courseattempts/coursewithdrawal/\)](https://catalog.valenciacollege.edu/academicpoliciesprocedures/courseattempts/coursewithdrawal/)

1. A student is permitted to withdraw from a class on or before the withdrawal deadline, as published in the College calendar. A student is not permitted to withdraw from a class after the withdrawal deadline.
2. A faculty member is not permitted to withdraw a student from their course throughout the semester.
3. Faculty members, however, must certify that students are actively attending a course during the first week of classes, during the no-show period. If students do not attend class/complete an online assignment, during the first week of class, student will be withdrawn as a 'No show' during this period at the beginning of the semester.
4. A student who withdraws from a class before the withdrawal deadline will receive a grade of "W." Any student who withdraws or is withdrawn from a class during a third or subsequent attempt in the same course will be assigned a grade of "F". The grades of "WP" and "WF" **are eliminated**.
5. A student who receives a grade of "W" will not receive credit for the course, and the 'W' will not be calculated in the student's grade point average; however, the enrollment will count in the student's total attempts in the specific course.

**VERY IMPORTANT:** College policy requires that students who are not attending class during the first week of classes be withdrawn from the course. In an online class, attendance is documented by participation. Your orientation quiz is proof of attending the first week of classes. Thus, it is very important that during the first week of class, you complete the new student orientation, create your supersite account, and complete the orientation quiz. Failure to do so will result in being withdrawn from the course.

## Assessments:

### Lesson Tests (18%):

**LESSON EXAMS:** There are four Lesson exams in this course (one exam for each of the Lessons covered in this course – Lesson 6, Lesson 7, Lesson 9, & Lesson 10). Your top three scores will be used to calculate your exam percentage and final grade. Be aware that a make-up exam will only be granted for legitimate extenuating circumstances with proper documentation provided by student (e.g. jury duty, funerals, military service, hospitalization, or religious holidays). The lowest exam grade will be dropped at the end of the semester. The lowest dropped test grade policy does not apply to the Midterm or Final. **If you must miss an exam, be advised that you must contact me, your professor immediately, prior to the test date.**

**IMPORTANT:** All tests must be taken on the dates assigned on the [Course Calendar \(https://online.valenciacollege.edu/courses/221810/pages/course-schedule\)](https://online.valenciacollege.edu/courses/221810/pages/course-schedule). **No makeup tests are available without explicit written consent of your professor, which will only be granted for legitimate extenuating circumstances with proper documentation provided by student (in a case of jury duty, funerals, military service, or religious holidays).**

## Tech issues:

Occasionally your server, computer, or Canvas has an error while you are taking a quiz or an exam, and you need to have the exam or quiz reset. If that happens, you can contact me to help you if I can—only if the deadline has not passed. Please be aware of and consider my office hours. If you email me at 11:00 pm when your quiz/exam is due by 11:59 pm that same day, you should not expect a response from me before the deadline. If you send an email after the deadline, you will not be able to take the quiz/exam you missed. Please plan accordingly. After sending the email, continue checking your email for additional notifications from me about the course of action you should take after your issue is resolved. You should also contact Valencia's tech support for additional help prior. Note that should not wait until one hour before the due time to attempt to complete your assignments on Canvas.

Note: If you miss an exam you will receive a 0 (zero). You only have one attempt for each exam. If you have technical problems you should contact me immediately via email at [Jsalto@valenciacollege.edu](mailto:Jsalto@valenciacollege.edu) (<mailto:Jsalto@valenciacollege.edu>), and then continue checking your email for additional notifications from me about the course of action you should take after your issue is resolved. Note that you cannot wait until one hour before the due time to attempt the test then email me regarding any problems you encounter because you will miss the deadline.

## Final Exam:

You will take one final comprehensive exam per semester (which will cover all the material covered throughout the semester). **The Final Exam will include listening, reading, writing and an essay writing section. The Final Exam will be on the scheduled date listed during Finals Week. Do not make other plans for the days during Finals week until you know the exact date and time of your scheduled Final Exam. THE FINAL EXAM IS 15 % OF YOUR GRADE.**

### MIDTERM:

The Midterm will take place on the date listed on the Course Calendar and it will cover all the information from Lesson 6, Lesson 7, and Lesson 8. **THE MIDTERM EXAM IS 6 % OF YOUR GRADE.**

Note: If you miss an exam you will receive a 0 (zero). You only have one attempt for each exam. If you have technical problems you should contact me immediately via email at [Jsalto@valenciacollege.edu](mailto:Jsalto@valenciacollege.edu) (<mailto:Jsalto@valenciacollege.edu>), and then continue checking your email for additional notifications from me about the course of action you should take after your issue is resolved. Note that you cannot wait until one hour before the due time to attempt the test then email me regarding any problems you encounter because you will miss the deadline.

**Midterm (5%) and Final Exam (15%):**

The goal of the midterm and final exams is to assess your ability to assimilate what you have learned about Spanish grammar, vocabulary, language, and culture in the lessons up to that point in the course. The final exam will be comprehensive and cumulative in nature. The midterm and final exams will consist of listening, reading, and writing sections in which you will demonstrate your overall knowledge of the course material. The test is not curved and no make-up test will be given. Check [Course / Assignment Schedule \(https://online.valenciacollege.edu/courses/221810/pages/course-schedule\)](https://online.valenciacollege.edu/courses/221810/pages/course-schedule) for Midterm Exam and Final Exam date.

**ORAL EXAMS / Oral Assessments:** There are also **three oral assessments** which counts toward **8%** of your final grade. Two of these assessments will be recorded online via Canvas and the last, final oral exam will take place during the last two weeks of class. Further information about the oral exam can be found below & detailed information (e.g. topics, rubric, date, etc.) will be posted on the announcement section on Canvas (<https://online.valenciacollege.edu/login/canvas> (<https://online.valenciacollege.edu/login/canvas>)) as well as on the Course Calendar.

**Compositions (5%):** You will write a minimum of two compositions in Spanish. The use of electronic translators or unauthorized human assistance (such as a Spanish-speaking friend) is strictly forbidden. **You are only allowed to use vocabulary and grammatical forms learned in this course. Otherwise you will receive a failing grade for the assignment.** Make sure you follow instructions carefully when completing any assignment. You will find the instructions for the compositions in the learning modules.

**Cultural Presentation:** You will prepare a cultural presentation to be presented via a Discussion Board Assignment on Canvas. Every student is expected to do their presentation between 4 to 6 minutes that will count as **6%** of your total grade. More details in Canvas (<https://online.valenciacollege.edu/login/canvas> (<https://online.valenciacollege.edu/login/canvas>)) under the "[Cultural Presentation / Research Project \(https://online.valenciacollege.edu/courses/221810/pages/project-cultural-presentation-instructions-and-evaluation-information\)](https://online.valenciacollege.edu/courses/221810/pages/project-cultural-presentation-instructions-and-evaluation-information)." Module. IMPORTANT: An example of what your presentation is supposed to look like is provided in the instructions on Canvas. And prior to this assignment, you will have to turn in a [detailed Outline \(https://online.valenciacollege.edu/courses/221810/pages/outline-template-for-project-spanish-speaking-country-cultural-presentation\)](https://online.valenciacollege.edu/courses/221810/pages/outline-template-for-project-spanish-speaking-country-cultural-presentation) of the information that you will be presenting in your presentation. It is your responsibility to carefully read the details of both the assignments/requirements provided on Canvas.

### **Cultural Presentation Projects:**

For your Cultural Presentation, you are expected to present your project with good, detailed & clear **visual aids (pictures) via PowerPoint (you may NOT use Prezi).**

Make sure to follow the guidelines below for a successful presentation.

1. First you need to click on the **Signup document** and write your name next to the country that you will be presenting on; every student will be presenting on a **different** country (whoever signs up first, gets first choice on the country that they want to present on).
2. After you have signed up for one of the Spanish speaking countries; you will need to research that country. This is a research project, so you will need to **cite at least 5 different academic sources both in your Outline AND** at the end of your PowerPoint presentation. Academic sources include books or government or educational websites (not personal website nor Wikipedia – these are not considered academic resources).
3. Include a variety of clear visual aids (pictures) for each cultural aspect that you will be describing to the class.
4. Present your project via PowerPoint & make sure to do Spell Check to avoid any spelling mistakes.
5. **Include a map** of your country indicating where it is located.
6. You need to **present in English** but stay within the 4 minute to 6 minute (max) limit for your presentation.
7. **Make sure that you do a comparison with your own culture and the country that you are presenting .**
8. **Do not read off your presentation;** practice it multiple times before hand to make sure you are comfortable presenting it in your four to 6-minute time span.
9. On your PowerPoint presentation include descriptions of your visual aids but **DO NOT write out everything you are going to say in each slide** – as you will be presenting this information, not reading it.
10. In your presentation you should make sure to **include multiple Important / Unique Traditions, as well as celebrations & important holidays.**

## **Supersite Activities (31%):**

[VHL Supersite \(https://online.valenciacollege.edu/courses/221810/pages/vhl-supersite\)](https://online.valenciacollege.edu/courses/221810/pages/vhl-supersite) is one of the two learning management systems you will use in this course. The activities assigned in the VHL Supersite and "[vText \(Virtual Textbook\) \(https://reader.vhlcentral.com/portales12e/student-edition/vol1-2e\\_vtext?rid=0#/book/vol1-2e\\_vtext/chapter/150c852370357081256c01110de2e88f\)](https://reader.vhlcentral.com/portales12e/student-edition/vol1-2e_vtext?rid=0#/book/vol1-2e_vtext/chapter/150c852370357081256c01110de2e88f)." are listed in the **Calendar** tab under "Assignment Calendar". The activities assigned represent extensive communicative practice that will assist students internalizing the language. These activities are graded and averaged as part of the overall grade. VHL Supersite activities will need to be completed by the dates that appear in the VHL Supersite calendar. Other assignments might be graded differently, depending on the type of activity. Late Supersite activities incur a penalty of **5%** reduction for each day they are late. Submissions after 19 days of the due date will obtain a zero grade. If you do not have a physical textbook, you can access the digital textbook format by clicking on the "[vText \(Virtual Textbook \(https://reader.vhlcentral.com/portales12e/student-edition/vol1-2e\\_vtext?rid=0#/book/vol1-2e\\_vtext/chapter/150c852370357081256c01110de2e88f\)](https://reader.vhlcentral.com/portales12e/student-edition/vol1-2e_vtext?rid=0#/book/vol1-2e_vtext/chapter/150c852370357081256c01110de2e88f)." link on the [VHL Central website \(http://www.vhlcentral.com\)](http://www.vhlcentral.com) under the 'Teaching Tools' tab on the top right-hand corner on the VHL Central website.

As with any website, you might experience tech issues with the VHL Supersite. Make sure you report tech issues to the VHL Supersite tech support. Do not email me before you do that. Any email referring to tech issues with VHL Supersite should include the incident report number they will provide you.

**All activities are due at 11:59pm Eastern Time on due date.**

- **Supersite.** The Supersite homework consists of various types of activities. For all online activities, you have a maximum of **Five** attempts to complete the task correctly.

**NOTE:** For activities with only two possible answers (e.g., true/false questions) you will be allowed only **ONE**

attempt at the activity.

**All online (Supersite) homework is due by 11:59 PM the night before the next class period.**

**NOTE:** Please do the homework frequently. Do not leave the homework for the last minute. You will not finish and you may encounter technological problems. Use the textbook to help you complete the online activities. Activities are due as assigned online. Read the instructions and the whole exercise carefully **before** listening or performing the task. For audio exercises **you may need to listen several times to each exercise**.

- Do not use the VHL Supersite email or personal email. You will not receive answer.
- Any email referring to tech issues with Supersite should include the incident report number they will provide you.
- Be patient. Don't expect an immediate response when you send a message. I will get back to you within 24 hours Mondays – Fridays or sooner. Weekend emails will be answered on the next business day. Set up your Canvas account to receive emails or get the Canvas App so you do not miss any email or announcement.
- You can use the discussion board in Canvas to ask questions to other students in the class. This discussion board is called "El Café Latino" Just remember that this discussion board is exclusively for the students to help each other and I will not reply to any emergencies or questions about your grade within this discussion board.
- Be courteous and considerate. Being honest and expressing yourself freely is very important but being considerate of others online is just as important as it is in the classroom.
- Make every effort to be as clear as possible in your communications. Online communication lacks the nonverbal cues that fill in much of the meaning in face-to-face communication.
- Do not use all caps. This makes the message very hard to read and is considered "shouting." Check spelling, grammar, and punctuation (you may want to compose in a word processor, then cut and paste the message into the discussion or e-mail).
- Break up large blocks of text into paragraphs and use a space between paragraphs.
- Sign your e-mail messages and include the course you are taking.
- Never assume that your e-mail can be read by no one except yourself; others may be able to read or access your mail. All emails and communications at Valencia College are public record.
- Make sure you check email daily (required). Any instructions will have due dates for your response. If you email because of tech issues, they should be resolved before due time.

## Participation Policy (10%):

**Attendance** is required for this in-person face-to-face course and **will be taken on a daily basis**. You are responsible for all material and announcements made during class whether you are present or not. It is your responsibility to contact a classmate or your professor regarding missed activities and assignments.

Each day your instructor will evaluate your class participation and record a score. Participation is an important component of your final grade and an asset to your learning. If you miss class, no participation points can be awarded for that day, therefore you will receive a zero. **You cannot make-up class participation**. Daily participation is scored in the following manner. You should use this information during any discussion with your professor regarding your classroom performance. **Please NOTE Participation is Not simply just attending class.**

|          |  |
|----------|--|
| 2 POINTS | <u><b>Does All of the following:</b></u> arrives on time, attends entire class period, has textbook (and printed any extra material), is prepared for class, participates in activities, speaks Spanish in class, works well with others, and completes any written homework assigned by the instructor. |
| 1 POINT  | <u><b>Does Any one of the following:</b></u> arrives late, leaves early, does not have textbook (or did not print necessary extra material), does not participate in activities, speaks English in class, does not work well with others or is disrespectful.  |
| 0 POINTS | <u><b>Does More than one of anything listed in the 1 point description and/or any one of the following:</b></u> is absent or disruptive (does homework for other classes, checks cell phone (is texting or is on the phone), sleeps, etc.).  |

**Textbook Homework:** Read and prepare/practice assigned material in the textbook **before** the day it is due to be practiced in class in order to receive full credit for participation.

### ATTENDANCE POLICY:

#### First Week:

Attendance during the first week of classes is mandatory. Anyone who misses both class meetings during the first week of class will be withdrawn as a "No Show"—no exceptions

#### Attendance Policy During the Semester:

Regular attendance is necessary for successful completion of this course. You will be marked absent if: your signature does not appear on the sign-in sheet for that day; if you miss more than 15 minutes of class by arriving late or leaving early. It is the attendance records of the instructor, not the recollections of the student, which will be consulted for proof of attendance/absences.

This is Not a self-paced course and assignments are open every week. Missing assignments and assessments may result in failing the course.

If you stop participating in the course, or **if you stop attending class**, you will receive the grade reflected by the work completed in it. **The instructor will Not withdraw you from the course.**

For severe **medical conditions** that result in excessive absences, consult the Dean of Students concerning Valencia's medical withdrawal policy. International students, and students receiving financial aid, should be aware of how a "W" will affect their status.

Exceptions will be determined on a case-by-case basis for extremely extenuating circumstances, such as, but not limited to, complications regarding pregnancy, lengthy hospitalization as a result of a major medical condition, family illness, or military service.

Please note that **there is NO EXTRA CREDIT** for this course.

**TARDINESS:** Arriving late to class or leaving early disrupts the class and negatively impacts both the student and his/her classmates. The student's participation grade will be lowered according to the above scale.

**Participation/ Canvas Discussions:** You are also required to complete the activities listed in the discussion board, then to check regularly to review the responses of other students, and to add follow-up comments whenever applicable to contribute to the academic discussion thoughtfully and with detail. I will be monitoring your progress and the quality of your responses throughout the course. To receive full credit you are required to post one original comment and reply to 5 or more postings.

The guidelines to receive full credit for Discussions are as follows:

- Post an original comment by the Due Date
- Read at least five other responses
- Reply to a minimum of three (5) or more peers' responses within two days of the Posting deadline
- Observe the Rules of Netiquette when posting responses. For more information go to: <http://www.albion.com/netiquette/corerules.html>  (<http://www.albion.com/netiquette/corerules.html>)
- You are required to post before midnight and will have until two days of the Posting deadline to respond to other students. No late postings will be accepted.
- Do not post to comments with original postings with that have five (5) responses.

In addition to discussions, this percentage of your grade also includes your orientation quiz, setting VHL account first week of classes, meet your professor and other activities that will be announce during the semester.

## Mask policy and CDC Physical Distancing Guidelines

The health and safety of everyone at the college is our top priority. Therefore, anyone attending the class is encouraged to wear masks indoors and maintain physical distancing. If you do not have a mask, the college can provide one for you. You may find it helpful to refer to current research on the importance of masking for public safety. Feel free to check out the CDC guidelines on masking, [located at this link \(https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html\)](https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html).

### COVID GUIDELINES:

Throughout the COVID pandemic, Valencia College has been primarily focused on the health and well-being of its students and faculty and staff. This continues to be our priority as we return to more face-to-face classes, and college policy continues to be guided by science and the guidelines issued by the CDC and our partners at Orlando Health. Valencia College expects all members of our campus community to wear masks indoors.

**Important:** If you are unable to participate in the course due to illness, family emergency, etc., please communicate with me as soon as possible to create a plan for the best course of action. In the case of absence from classroom or a prolonged online absence of one week or more, continuation in the course will be determined on a case-by-case basis through discussion between you and the professor.

Note that regardless of the reason for an absence, it is the student's responsibility to follow the professor's policies regarding making up missed assignments. Failure to do so in a timely manner may put the student at risk of academic penalty as indicated in the attendance policy on the professor's syllabus.

If you find yourself feeling unwell and suspect you might be experiencing symptoms of COVID-19, test positive for COVID-19, or have been in close contact with someone who has the COVID-19 virus, please stay home. Please also report this to Valencia's COVID-19 case manager Tanya Mahan, at [COVIDillness@valenciacollege.edu](mailto:COVIDillness@valenciacollege.edu) (<mailto:COVIDillness@valenciacollege.edu>), so the College can determine how to best support you.
