Course Description	<ul style="list-style-type: none">Course based on the study of topics that include a symbolic, graphical, and numerical analysis of trigonometric functions, solutions of plane triangles and vectors.				
Required Material	<ul style="list-style-type: none">Notebook and pen/pencilTI-84 calculator				
Grade Calculation	<ul style="list-style-type: none">The course is based on a 100-point scale. Your points will be calculated as follows:				
	Module	Sections			Module Test
	Module 1	1.1, 1.2, 1.3, 1.4, 1.5, 1.6, 1.7			20 points
	Module 2	2.1, 2.2, 2.3, 2.4			20 points
	Module 3	3.1, 3.2, 3.3, 3.4			20 points
	Module 4	4.1, 4.2, 4.3, 4.4			20 points
	Module 5	5.1, 5.2, 5.3, 5.4			20 points
	Total Possible Points			100 points	
	<ul style="list-style-type: none">Your final grade for the course is based upon the number of points earned:				
	A	B	C	D	F
90 - 100 points	80 - 89 points	70 - 79 points	60 - 69 points	0 - 59 points	
Lectures	<ul style="list-style-type: none">It is imperative students attend all lectures. Lectures are the foundation for the homework, test reviews and tests.				
Homework (HW)	<ul style="list-style-type: none">Ungraded homework assignments will be assigned for each section and are found in the lecture notes.Homework assignments reinforce what was learned in class and serve as invaluable practice opportunities.				
Extra Credit (Test Reviews)	<ul style="list-style-type: none">For each test, there is a test review worth 1 extra credit point. There are 5 extra credit points available.Test reviews are closely correlated with each test. It is wise to complete these optional assignments.Test reviews must be printed, complete, and turned in on time to receive extra credit. All work must be shown.				
Tests	<ul style="list-style-type: none">There are five tests for the course, all conducted in class. Test #5 is not cumulative and only covers the last module.Each module's test is worth 20 points. Take your percent correct on the test and multiply by 20.				
Attendance	<ul style="list-style-type: none">Students are required to attend class and sign in. If absent, it is the student's responsibility to learn the material.Students are allowed 3 absences. For each absence after that, their final grade will be reduced by 5 points.				
Calculator	<ul style="list-style-type: none">The TI-84 calculator is required. The TI-84 is the only authorized calculator for class, homework, and tests.Rentals are available at the Math Lab (1-144), Depot (4-121), Library (4-202), or Learning Center (3-100).				
Canvas	<ul style="list-style-type: none">The course syllabus, lecture notes, homework, test reviews and grades will be posted to Canvas.Students are responsible for reading any Canvas e-mail sent by the instructor. Please check Canvas regularly.				
Crawl-Walk-Run	<ul style="list-style-type: none">To be successful in the course, students should follow the Crawl-Walk-Run learning model:<ul style="list-style-type: none">Crawl: students attend class, arrive on time, and are prepared to learn <u>before</u> class starts.Walk: students actively participate and actively learn <u>during</u> class.Run: students work efficiently <u>after</u> class by studying their notes, re-working the in-class problems, completing the HW assignments and repeatedly completing the test review.				
Conduct	<ul style="list-style-type: none">Please be courteous and do not disrupt class. The instructor will dismiss a student disrupting class.Students are required to be on time. If late, quietly enter the classroom and sit at the first available desk.Cellphone use is not permitted in class and will result in dismissal, except for calculator and camera applications.E-mail is for administrative purposes, not for math questions. All math questions will be answered face-to-face.Students found cheating, in any manner, will receive a final grade of F and be permanently dismissed.				
Make-Up Policy	<ul style="list-style-type: none">There are no make-up tests nor test retakes. Students who miss a test will receive a test score of zero.In the event of a valid and documented emergency, the instructor may approve a make-up test.				
Miscellaneous	<ul style="list-style-type: none">There are no faculty-withdrawals at Valencia College. The self-withdrawal deadline is October 25.Students with an OSD accommodation letter must see the professor to discuss course testing procedures.This syllabus may change. Students will be notified of changes and provided a revised syllabus in Canvas.
