|   |  | Total Poss   | ible Points               |                            | 100 points          |  |  |  |  |
|   | A student's final co   | A student's final course grade is based upon the total points earned:  |                           |                            |                     |  |  |  |  |
|   | Α  | В  | С                         | D                          | F                   |  |  |  |  |
|   | 90 - 100 points  | 80 - 89 points   | 70 - 79 points            | 60 - 69 points             | 0 - 59 points       |  |  |  |  |
| Lectures  | It is imperative stud  | It is imperative students attend all lectures. Lectures are the foundation for the homework, test reviews and tests. |                           |                            |                     |  |  |  |  |
| Homework  | Ungraded homewo  | rk assignments will be as  | signed for each section a | ind are found in the lectu | re notes.           |  |  |  |  |
| (HW)  | Homework assignment  | Homework assignments reinforce what was learned in class and serve as invaluable practice opportunities.             |                           |                            |                     |  |  |  |  |
| Extra Credit  | • For each test, there is a test review worth 1 extra credit point. There are 5 extra credit points available.   |  |                           |                            |                     |  |  |  |  |
| (Test Reviews)  | <ul> <li>Test reviews are closely correlated with each test. It is wise to complete these optional assignments.</li> </ul>   |  |                           |                            |                     |  |  |  |  |
| (1001110110110)                                       | Test reviews must be printed, complete, and turned in on time to receive extra credit. All work must be shown.   |  |                           |                            |                     |  |  |  |  |
| Tests   | • There are five tests for the course, all conducted in class. Test #5 is not cumulative and only covers Module #5.  |  |                           |                            |                     |  |  |  |  |
| 16313   | Each module's test is worth 20 points. Take the percent correct on the test and multiply by 20.  |  |                           |                            |                     |  |  |  |  |
| Attendance/<br>Lateness                               | • Students are required to attend class, be on time and sign in. Students are responsible for learning missed material.  |  |                           |                            |                     |  |  |  |  |
|   | • Students are allowed 3 absences. For each absence after that, their final grade will be reduced by 5 points.   |  |                           |                            |                     |  |  |  |  |
|   | If late, students should quietly enter the classroom and sit at the first available desk.  |  |                           |                            |                     |  |  |  |  |
| Calculator  | • The TI-84 calculator is required and is the only authorized calculator for class, homework, and tests.   |  |                           |                            |                     |  |  |  |  |
|   | • Rentals are available at the Math Lab (1-144), Depot (4-121), Library (4-202), or Learning Center (3-100).   |  |                           |                            |                     |  |  |  |  |
| Canvas  | • The course syllabus, lecture notes, homework, test reviews and grades will be posted to <u>Canvas</u> .  |  |                           |                            |                     |  |  |  |  |
|   | Students are responsible for reading any Canvas e-mail sent by the professor. Please check Canvas regularly.   |  |                           |                            |                     |  |  |  |  |
| Crawl-Walk-   | • To be successful in the course, students should follow the <b>Crawl-Walk-Run</b> learning model:   |  |                           |                            |                     |  |  |  |  |
|   | • <b>Crawl:</b> students attend class, arrive on time, and are prepared to learn <u>before</u> class starts.   |  |                           |                            |                     |  |  |  |  |
| Run   | Walk: students actively participate and actively learn <u>during</u> class.  |  |                           |                            |                     |  |  |  |  |
|   | Run: students work efficiently <u>after</u> class by studying their notes, re-working the in-class problems, completing the LNM assignments and approximate the second studying the test and approximate the second studying the s   |  |                           |                            |                     |  |  |  |  |
| Conduct   | the HW assignments and repeatedly completing the test review.  |  |                           |                            |                     |  |  |  |  |
|   | <ul> <li>Please be courteous and do not disrupt class. The professor will dismiss a student disrupting class.</li> <li>Callabere and is also and will accurate disruption of the statement of the statemen</li></ul> |  |                           |                            |                     |  |  |  |  |
|   | Cellphone use is not permitted in class and will result in dismissal, except for calculator and camera applications.   |  |                           |                            |                     |  |  |  |  |
|   | • E-mail is for administrative purposes, not for math questions. All math questions will be answered face-to-face.   |  |                           |                            |                     |  |  |  |  |
|   | Students found cheating, in any manner, will receive a final grade of F and be permanently dismissed.  |  |                           |                            |                     |  |  |  |  |
| Make-Up   |  |  |                           |                            |                     |  |  |  |  |
| Policy  | In the event of a valid and documented emergency, the professor may approve a make-up test.  |  |                           |                            |                     |  |  |  |  |
| Miscellaneous   | • There are no faculty-withdrawals at Valencia College. The self-withdrawal deadline is <b>October 24</b> .  |  |                           |                            |                     |  |  |  |  |
|   |  | 51   |                           |                            |                     |  |  |  |  |
|   | This syllabus may change. Students will be notified of changes and provided a revised syllabus in Canvas.  |  |                           |                            |                     |  |  |  |  |
