A student is not permitted to withdraw from a class after the withdrawal deadline, which is 06/07/24 for this class in the Summer 2024 semester. I also highly recommend you contact your academic adviser and financial aid counselor as students on financial aid may be adversely affected by withdrawing from classes. Students who are not actively participating in an online class and/or do not submit the first assignment by the scheduled due date must be withdrawn by the instructor at the end of the first week as a "no

show". If you are withdrawn as a "no show," you will be financially responsible for the class and a final grade of "WN" will appear on your transcript for the course. The policy can be located at the following link:

<http://catalog.valenciacollege.edu/academicpoliciesprocedures/classattendance/>

### **CLASS POLICIES:**

1. **Attendance:** Class attendance is an essential component of your success in this course. If you are absent more than two weeks in the semester, you are subject to withdrawal. Attendance is recorded each week you submit any of that week's required assessments. You are marked absent each week you do not submit any of the weekly assignments. Logging into Canvas without submitting something does not count for attendance. The academic week runs from Monday at 12:00am EST to Sunday at 11:59pm EST.

*If you are unable to participate in the course due to illness, family emergency, etc., please communicate with me as soon as possible to create a plan to complete any missed assignments so that your learning can progress in your course. In the case of a prolonged online absence, please communicate with me as soon as possible to create a plan for the best course of action.*

If the syllabus notes additional activities that must be completed during a given week or time period for the student to be viewed as having "attended" the course, those instructions apply in addition to the minimal requirements listed above.

2. **Exams and Assignments:** The student is responsible for taking their exams and completing assignments during the week they are assigned. Assessments not submitted by the assigned due dates will not be accepted. Extenuating circumstances such as hospitalization or a death in the immediate family preventing the completion of an exam or assignment must be documented and provided to the instructor. Make up exams and assignments are subject to the approval of the instructor based on documentation provided by the student.
3. Students must do their own work; there are no exceptions.
4. Students must have an active Atlas account. Students must check their Atlas e-mails regularly as to not miss any important messages from the professor. Missed messages via Atlas or any other medium (in-class, etc.) may affect your grade and are the responsibility of the student.
5. Students with disabilities who qualify for academic accommodations must provide a letter from the Office for Students with Disabilities (OSD) and discuss specific needs with the professor, preferably during the first week of class. The Office for Students with Disabilities determines accommodations based on appropriate documentation of disabilities (West Campus SSB 102, ext. 1523).
