CAUTION: If DROWSINESS occurs while reading this syllabus, it shouldn't be surprising. Please don't drink alcohol while reading this syllabus. You may need that drink after you read it...NOT REALLY.

Set Goals and Evaluate Them

Ask yourself, Why am I here in college? What do I want to do? Where do I see myself in two years? What are my long-term goals?" Do I have a clear understanding of where I am now? Do I have a reasonable plan involving realistic goals and a realistic time frame?" (LIFE MAP)

MY PLEDGE TO YOU: As your Professor I pledge to do everything in my power to assist you in furthering your reading and thinking ability and reach your academic and thus your life goals. My goal is to help you develop strategies to monitor your own thinking / reading so that in the future you are able to break through those barriers that have confronted you in the past when you did not comprehend something. My goal is to teach you to think about thinking, we call that "metacognition." I want to see each and every single student in this class leave here feeling confident, and ready to tackle all the college courses that await them in the semesters and years ahead, to become lifelong learners, to become lifelong lovers of learning. Work with me, do your part, work hard and I will bend over backwards to help you move towards your goal, but it takes two people, both teacher and learner...are you ready for the challenge? I am! If so, then let's go!!!!

Research has shown that there are three vital skills that should be developed and linked to all college courses. These skills have been shown to be essential for learning and mastery in all college courses. We will try to further develop all three throughout this course. They are:

- **Critical Thinking** (You will be asked to think and discuss critically about issues.)
- **Reflective Writing** (You will be required to write reflectively about what you read.)

Valencia Community College

- **Critical Reading** (You will be asked to respond critically and evaluatively about what you read.)

Students are expected to have all materials for the course in all classroom sessions, This includes the required text, the portfolio loose-leaf packet, mini-hole puncher, mini-stapler filled with staples, 4 by 6 lined index cards and a college-level dictionary. Out of class assignments (homework) will require between 3 and 5 hours of work every week. Make time in your schedule for this if you plan on being successful in this course!!!! What you put into the course directly relates to what you get out of it. That's just plain old common sense!!!!

ATTENDANCE AND LATENESS TO CLASS

STUDENTS ARE REQUIRED TO ATTEND ALL CLASS SESSIONS AND ALL LAB SESSIONS. IN ADDITION STUDENTS ARE REQUIRED TO ARRIVE IN CLASS BEFORE IT STARTS, NOT AFTER THE DESIGNATED START TIME. IT IS VERY DISRUPTIVE TO THE LEARNING PROCESS FOR STUDENTS TO BOLT IN TO A CLASSROOM AFTER CLASS HAS STARTED. YOU ARE EXPECTED TO BE IN CLASS READY TO WORK WHEN CLASS BEGINS! IF YOU ARE LATE, 3 LATENESSES WILL BECOME AN ABSENCE!

ABSENCE POLICY- SINCE THIS IS A 3 CREDIT HOUR CLASS IF YOU ARE ABSENT 150 MINUTES (3 CLASSES FOR M-W-F CLASSES, 2 CLASSES FOR TUES-THURS OR M-W CLASSES) THAT WILL BE THE LIMIT YOU ARE ALLOWED. ANY ABSENCES AFTER THE 150 MINUTES WILL RESULT IN WITHDRAWAL FROM THE CLASS.

NOTE TO SUMMER SCHOOL CLASSES:

**TWO DAY SUMMER CLASSES ARE ALLOWED ONLY TWO ABSENCES. THE THIRD ABSENCE WILL RESULT IN BEING WITHDRAWN FROM THE CLASS IMMEDIATELY!
IF YOU ARE ABSENT THE DAY OF A TEST YOU WILL LOSE 10 POINTS ON THE MAKEUP TEST.**

THIS ATTENDANCE POLICY WILL BE STRICTLY ENFORCED

**** Exceptions:** IF YOU DIE AND MISS A CLASS KINDLY BRING IN A NOTE FROM YOUR UNDERTAKER UPON YOUR RETURN TO CLASS. (*Are you laughing or at least smiling yet?*)

MY PET PEEVE...CELL PHONES IN CLASS!!!

Valencia Community College

in a positive attitude and mastery of various reading strategies in order to ensure success. All students are expected to engage in classroom and out-of-class learning activities in order to show proficiency in such skills at the college level. It is therefore necessary and expected that all students will have a positive attitude toward and participate in all classroom activities in a manner that is conducive to the learning process for themselves and others. Your presence, participation, and success in this class will be viewed as a partnership in the learning process. If, for any reason, a student's classroom conduct interferes with the teaching process or the learning of others, the student will be requested to leave the classroom and an absence for the day will be recorded. The final exam for the course will be given during the scheduled college-wide exam period. You must also pass the final exam for the course.

DISCLAIMER:

Changes in syllabus and/or schedule may be made at any time during the term by announcement of the instructor. A revised syllabus may be issued at the discretion of the instructor.

THREE ATTEMPT RULE:

The State of Florida has mandated that all students placed into a college preparatory course be allowed three tries to complete the given discipline. Thus, if you were placed in REA 0001, you would have one semester in REA 0001, one semester in REA 0002, and one semester to repeat either of two courses. After the third attempt, if unsuccessful in passing that discipline, students will work with counseling staff to determine where they should go to complete the course.

A "W" is counted as an attempt unless you withdraw prior to the midpoint of the course.

This semester's midpoint is _____. If, just prior to the midpoint, you find yourself not passing having completed half the course, withdraw before midpoint. If you have any questions about your average, see your professor.
