### **Classroom Policies Attendance:**

Classroom attendance and punctuality is vital to academic success. If you miss a class, you need to contact a classmate to get the notes you missed. Missing the equivalent of more than 3 weeks of classes for any reason, other **than absences excused in accordance with Valencia's policies, is excessive and a basis for withdrawal** Being 15 minutes late for class or leaving prior to the end of class will count as an absence. It is the responsibility of the student to find out what was covered if you miss class.

### **Withdrawal:**

Per Valencia Policy 4-07 (Academic Progress, Course Attendance and Grades, and Withdrawals), a student who withdraws from class before the established deadline for a particular term will receive a grade of "W". A student is not permitted to withdraw after the withdrawal deadline. **See Important Dates below for the Withdrawal Deadline for your part of term** A student who is withdrawn by faculty for violation of the class attendance policy will receive a grade of "W". Any student who withdraws or is withdrawn from a class during a third or subsequent attempt in the same course will be assigned a grade of "F". For a complete policy and procedure overview on Valencia Policy 6Hx28:4-07, please go to: <http://valenciacollege.edu/generalcounsel/policy/> .

### **Important Dates:**

**Summer Term:** Classes begin May 08. Drop/Refund Deadline 11:59 p.m May 15. No Show reporting period May 16-25. **Withdrawal deadline for W grade is 11:59 p.m. July 07.** See final exam schedule at <http://valenciacollege.edu/calendar/FinalExam.cfm> for exam date and time.

**Make-up Policy:**

Assignments, quizzes and exams will be allowed in cases of documented student emergencies and will be graded with a lower percentage every week that passes and is overdue (-10% weekly). ### **Online Student Assessment of Instruction**

As part of our continuing goal to provide the best possible instruction for Valencia College students, the student evaluation of instructor form is now available **online**. On a completely anonymous basis, all students are invited to complete this online form. To do so, go into Atlas, select "My Courses" then select the box at the right that says 'Assessment Survey'. You will be able to submit one assessment form per class. After that, the form will no longer be available to you. To ensure that this process does not affect your grade, the **results are not shown to the instructor until after grades are submitted**. Please set aside some time toward the end of the semester to complete the assessment. By doing so, you will assist the instructor in assessing the effectiveness of his/her teaching methods and techniques for subsequent semesters. Thank you for your feedback.

### **Student Core Competencies**

The faculty of Valencia College have established four Core Competencies that describe the learning outcomes for a Valencia graduate. They are: THINK, VALUE, COMMUNICATE, ACT. These general competencies can be applied in many contexts and must be developed over a lifetime. They specify how learning can be expressed and assessed in practice. They enable students and faculty to set learning goals and assess learning within and across the many disciplines of human inquiry. Use the descriptions and examples of academic work for each to measure your own learning outcomes. Samples of the academic work are great additions to your Learning Portfolio. For further information on student core competencies please go to [www.valenciacollege.edu/competencies](http://www.valenciacollege.edu/competencies)

## Study tips:

*“LEARNING IS AN ACTION VERB!! Most students need to do more than just sit through lectures and reread their notes.*

***Spend 1-2 hour blocks of time EVERY DAY*** actively writing or discussing concepts to make them a part of your memory.

*Use the words you learn often, they will sink in better☺.*

*Here are some study and classroom management tips that have assisted former students:*

- *Attend class daily and don’t be tardy. The introduction to each lecture explains the purpose of the entire lecture. Students who follow this rule won’t miss important information.*

- REWRITE YOUR NOTES soon after the lecture; if the instructor permits, tape record lectures and replay to refresh your memory when you rewrite your notes.
- Create flash cards with questions you make up from the lecture and lab with answers on the back.
- Use mnemonic devises and other games to remember concepts; go to Google images, YouTube and Khan Academy for additional pictures and videos to clarify concepts.
- Make lists of confusing topics from your studying and ask questions.
- Take advantage of the professor's office hours.
- JOIN A STUDY GROUP and predict what questions the professor could ask on the test.
- Get the telephone number of one or more buddies in case you are absent
