**Expected Student Conduct**

Valencia College is dedicated not only to the advancement of knowledge and learning but is concerned with the development of responsible personal and social conduct. By enrolling at Valencia College, a student assumes the responsibility for becoming familiar with and abiding by the general rules of conduct. The primary responsibility for managing the classroom environment rests with the faculty. Students who engage in any prohibited or unlawful acts that result in disruption of a class may be directed by the faculty to leave the class. Violation of any classroom or Valencia’s rules may lead to disciplinary action up to and including expulsion from Valencia. Disciplinary action could include being withdrawn from class, disciplinary warning, probation, suspension, expulsion, or other appropriate and authorized actions. You will find the Student Code of Conduct in the current Valencia Student Handbook or [http://valenciacollege.edu/generalcounsel/policy/default.cfm?policyID=180&volumeID\\_1=8&navst=0](http://valenciacollege.edu/generalcounsel/policy/default.cfm?policyID=180&volumeID_1=8&navst=0)

**Academic Dishonesty**

All forms of academic dishonesty are prohibited at Valencia College. Academic dishonesty includes, but is not limited to: acts or attempted acts of plagiarism (submitting written work that you took, word for word, from another source and pretending such work is your own. “Cut and Paste” from websites is plagiarism.), cheating, furnishing false information, forgery, alteration or misuse of documents, misconduct during a testing situation, facilitating academic dishonesty and misuse of identification with intent to

defraud or deceive. All work submitted by students is expected to be the result of the student's individual thoughts, research, and self-expression. Whenever a student uses ideas, wording, or organization from another source, the source shall be appropriately acknowledged. Any form of cheating during exams will constitute an immediate "F" for that quiz/exam. Plagiarism will result in a "0" for that essay. Other sanctions available to the professor should a violation occur are described in the Valencia Student Handbook. ### **Internet Research Statement**

Because of the variety of sources, ease of publication, lack of central control and proliferation of commercial information on the free Internet, it is often hard to tell if the information is reliable. Many sites contain research and information of high quality. However, unlike traditional print publications or library-based electronic resources, there is usually no process of peer review, nor is there an editor verifying the accuracy of information presented on the Internet. There are an increasing number of sites containing information that may be incomplete, anonymously written, out-of-date, biased, fraudulent, or whose content may not be factual. Students should, therefore, use caution in use of the free Internet for their research needs. For academic topics that are addressed in scholarly literature, using electronic databases or visiting the library may better meet your needs. However, each professor makes the final determination of what is or is not accepted as a valid source so review the syllabus for specific guidelines from your professor. See the following tutorial for more information:

### **Homework and Quizzes:**

Homework and quizzes **cannot** be made up. If a student is absent, it is his/her responsibility to contact a class member, obtain the assignment and come to the next class meeting prepared. If a student is absent the day of a quiz, they will receive a zero. Late project and/or assignments will be penalized up to 5 points per day late.

### **Academic Honesty:**

Academic integrity is expected at all times. Academic dishonesty (cheating) will be punished to the fullest extent allowed by the institution. The instructor will follow the academic dishonest policy as outlined in the student handbook and the catalog. It is your responsibility to familiarize yourself with this policy. However, in short, if a student is caught being academically dishonest, the student(s) involved will receive consequences that may include a zero grade for the assignment and a failing grade for the course.

**Mobile communication devices** – I understand there are many good reasons to have laptops, mobile phones and other wireless communication devices. Many of us have work and family responsibilities that sometimes cannot wait until the end of class. Recognizing that it may be necessary on occasion to communicate with others during class, please do not text, email, surf, talk, or anything else while class is in session.. Feel free to leave the classroom for a “moment” to take care of any necessary communications.

### **Student Assistance Program**

Free face to face counseling is also available.

### **Withdrawal Policy**

Students are only able to withdraw themselves up to the Withdrawal Deadline, After the Withdrawal Deadline; the instructor may withdraw students who are in violation of the course attendance policy up to the beginning of the final exam period.

### **Academic Accommodations**

"Students with disabilities who qualify for academic accommodations must provide a letter from the Office for Students with Disabilities (OSD) and discuss specific needs with the professor, preferably during the first two weeks of class. The Office for Students with Disabilities determines accommodations based on appropriate documentation of disabilities.

### **Disclaimer:**

The schedule, procedures, and assignments are subject to change in the event of extenuating circumstances. However, any such change will be clearly announced. Such changes are designed to deal with unforeseen circumstances that arise during the course. The changes will be intended to benefit the student and will not significantly add to the rigor of the course.
